Service Registration Document

Thank you for selecting FortiCare / FortiGuard subscription services. Fortinet's high performance UTM appliances combined with FortiGuard and FortiCare services provide you with complete content protection against constantly evolving network security threats.

Please activate your new services in order to take advantage of the benefits they deliver.

If you have not already done so, register your Fortinet appliance(s) at our Customer Support Portal, <http://Support.Fortinet.com>. Note: Appliance registration is required for service activation.

To activate your service, point your browser to <http://Support.Fortinet.com> and click on Register/Renew. You will be guided through the activation process. Your contract registration code and details regarding your order are attached.

The activation date for your service contract shall be pursuant to Fortinet's policies as outlined at <http://www.fortinet.com/aboutus/legal.html>.

Visit our Customer Support Portal at <http://support.fortinet.com> to view and manage your Fortinet products; review technical documentation and Knowledge Base articles; or create a new technical support case.

If you have questions about your renewal or about your FortiCare user account, contact CS@Fortinet.com.

If you would like to discuss current or future network security needs, please contact your authorized Fortinet reseller or a local Fortinet sales office. You will find address and contact information at <http://www.fortinet.com/aboutus/locations.html>.

Again, thank you for purchasing Fortinet services. We sincerely appreciate your business and are looking forward to working with you over the coming years.
